Synopsis

Gangchi and his friends Eumchi, Yichi, Mangchi, and Achi enroll in the magic academy on Gangchi Island, where they learn magic and grow. Gangchi and his friends save sea creatures in danger and collect magic cards in an adventure.

When the semester comes to an end, they find an opportunity to unlock the secret of the school library magic card, which will give them all the answers of the world, but the opportunity is lost as he asks a wrong question. As a consequence, the hidden secret of Achi and the legend of the mystery rock get unveiled one by one.

Will Gangchi and his friends be able to regain the lost opportunity and uncover Achi's secret?

On Gangchi Island full of magic and friendship, they go on an adventure-filled journey of discovering the true power of magic.
